

LIGHT, AFFORDABLE AND RELIABLE BLANKETS

HUMANITARIAN and CAMPING BLANKETS

Jasztex Humanitarian non-woven Blankets are perfect to help victims in case of natural disasters, earthquakes, floods or intense cold. They are very helpful for populations of refugees. These blankets are also ideal for emergency relief in the case of accidents or fire. They are used by municipalities and many other organisms to provide care to homeless people.

Jasztex also manufactures all-purpose Camping Blankets, Renowned for their comfort.

These needle punched non-woven Blankets are manufactured from recycled products fibers.

In case of emergencies, the blankets are delivered quickly and in large quantities. Blankets are packed in special compressed wrapping for efficient shipping logistics. Call us at 1-888-JASZTEX.
